- Double glazed glass
- Anti mist front glass
- LED light under each shelf
- Rear glass sliding doors
- Ventilated cooling
- Flat top/glass top

Refrigerated glass counter with extra shelf space

The LPD is our high-quality range of refrigerated display counters. It is made of quality materials and has key features such as an anti-mist front, double glazed glass to reduce energy consumption and running costs, and LED lights under each of the frosted glass shelves. This particular model comes with an extra shelf, providing more room for storage and display. The counter has an efficient ventilated cooling system that keeps food, pastries, and cakes looking fresh, while sliding doors to the rear allow easy loading and serving.
